**ALLIED HOPES OF PARLEY** 

WASHINGTON, D. C., MONDAY, SEPTEMBER 18, 1922.

## TARIFF SORTIE REACHES PEAK: **DECISION TODAY**

Fate of Conference Report Depends on Senator Cummins' Ruling.

**EXPECTS BONUS** VETO TOMORROW

# Senate Leaders Still Hope For Adjournment Saturday. Ralph Mullord was Duesenberg. Searles, driving for Cliff Durant, was burned to death when his car leaped over the upper rail at the far turn. The veteran speed king are ninned under the blazing car.

Although the tariff conference reoort has weathered two point-of-order storms in the House, its adoption by the Senate now depends upon whether Senator Cummins, president pro tempore, by his ruling, can suppress the latest storm, aroused by the Demo

of order made by Senator Simmons. leading minority Senate confereeconferees had exceeded their tial nowers feature of the measurewill be handed down this morning A favorable ruling, if upheld by the would mean recommittment.

Mellon May Recommend Veto.

scarred by points of order, but spared the delay of recommittment, is now in President Harding's hands. He is expected to veto the measure by tomorrow, after having submitted it to Secretary Mellon for inspection. Insmuch as Mr. Mellon has consistented its enactment because there isn't enough money available to meet the \$1.000,000,000 charge at present, he is expected to recor And leaders in both Houses re doubtful if they can muster a vo-thirds majority vote to override

While some delay may be encou tered in disposing of the tariff in the Senate, with a consequent postpone-ment of action on other scheduled measures, nevertheless the Demorats are conscious of waging a losing sattle in the face of certain and overhelming Republican support of the

mons, in making the point of contended that neither the Senate nor the House included the proauthorizing the President to from foreign valuation to valuation, as contained in from foreign the conference report. Senators Un erwood and Harrison have sustained Senator La Follette, Republican in-ingent, is expected to join with the

wrote to Congress declaring it

changed his mind and intimated that he would call a special session following afternoon. rine legislation immediately after the November election. Republican leaders did not take enthusi-astically to that suggestion and some of them have been trying to persuade the President not to call the special session promising to get busy early in December.

While Senate leaders still insist adjournment will come by Satur-day, a well defined purpose on the part of Democrats to fight passage of the Liberian loan and the Dyer anti-lynching law may yet give the lie to that prediction. Even if all By BRIG. GEN. HENRY J. REILLY posed indicate the recovery of Euthe calendar is disposed of in time, there still remains the bonus struggle possibly to be prolonged in an attempt to round up absent Sen-
